## No Inflation Adjustment for Home Health Providers – Effective July 1, 2010

The purpose of this memo is to notify home health providers that there will be no inflation adjustment to rates effective for dates of service on or after July 1, 2010 through June 30, 2012.

This action is in accordance with Item 297.FFF of the 2010 Appropriation Act, which mandates the elimination of the state fiscal year 2011 and 2012 inflation adjustment for home health providers.

Home health rates effective July 1, 2010 may be found on the DMAS internet site at [www.dmas.virginia.gov](http://www.dmas.virginia.gov), under Provider Services, Rate Setting Information, Home Health, Rates.

### **REQUESTS FOR DUPLICATE REMITTANCE ADVICES**

In an effort to reduce operating expenditures, requests for duplicate provider remittance advices are no longer printed and mailed free of charge. Duplicate remittance advices are now processed and sent via secure email. A processing fee for generating duplicate paper remittance advices has been applied to paper requests, effective July 1, 2009.

### **ALTERNATE METHODS TO LOOK UP INFORMATION**

As of August 1, 2009, DMAS authorized users now have the additional capability to look up service limits by entering a procedure code with or without a modifier. Any procedure code entered must be part of a current service limit edit to obtain any results. The service limit information returned pertains to all procedure codes used in that edit and will not be limited to the one procedure code that is entered. This is designed to enhance the current ability to request service limits by Service Type, e.g., substance abuse, home health, etc. Please refer to the appropriate Provider Manual for the specific service limit policies.
